November 17, 2016.

As every year, the MUSTANG CLUB OF FRANCE organizes a great Memorial Day: THE MUSTANG DAY, as many world Mustang clubs.

In 2016, it's on the mythical circuit of LE MANS (BUGATTI race track) that this gathering took place. More than 300 Mustang, from 1964 to 2016 were present.

This was also the 2nd EUROPEAN PONY WARS, allowing to receive the clubs of Europe. The EUROPEAN PONY WARS were created as the tribute to SALVO MIRABELLA, President of the MUSTANG CLUB OF ITALY.

Salvo Mirabella died accidentally in 2015, his sons took over from this idea to bring together all the clubs in Europe one day,

In 2017, will be held during the DAY MUSTANG, the 3RD EUROPEAN PONY WARS.

It is on the great 'formula 1" race track of MAGNY-COURS will run this concentration, on May 1st.

The MUSTANG CLUB OF ITALY, the MUSTANG CLUB OF MALTA, have already expressed their participation on this event.

Also, from the perspective of a large annual European gathering, we offer you to join us for this celebration.

If you are interested in this idea, please contact us by return of post, on the @mail box, the MUSTANG CLUB OF FRANCE, we will send you all documentation related to this day.

Very best regards to you...
